

*Goodbye  
Loving Hands  
Preschool!!!*

Wow!! I can't even believe that it is the end of the 2021-22 school year!!

What a great year this has been! We would like to thank each of you for the support that you gave us throughout the year! It has been a blessing to watch your little ones grow! For our families who will be heading off to Kindergarten...may your children continue their love for school and learning & may they grow in knowledge as they prepare for the successes that await them in the future! We are fortunate to be able to have played a small part in each of their stories. We hope that you will continue to keep in touch. We love to hear how they are doing!! For our students that are moving on to new schools or opportunities... we wish you all the same successes!! We hope that wherever your road leads you, you always remember that you have friends at Loving Hands! To our families that will join us again in the Fall... we are so excited to continue on this journey with you!! We have some great things in store for the upcoming school year and can't wait to begin the year with you!! We hope everyone enjoys their summer!! ☀

The Trike a Thon was a HUGE success!! As of today 5/10, we have raised \$21,115!!! We can't thank each of you enough for your continued support of our school! We truly have the BEST families!!

Classes have filled quickly for the upcoming school year! Our AM 4's are full, our full day 4/5's is full, and our AM and PM Transitional Kindergarten are also full! We only have 1 opening in our Orange Room MW PM3's class, 3 spaces in our Green Room PM4's and 2 spaces in the Yellow Room PM4's. It is exciting to see so many returning and new families on the upcoming rosters!

Paperwork packets for our 2022-23 school year will be assembled soon. Once they are complete, we will make a post on our FB page and leave them at the church entrance for the rest of the month of June. Anyone who would like to stop in and pick theirs up will be able to do so. Whatever is left at the end of the month, will be mailed. This helps us to save \$ on postage, and also allows you to receive your paperwork sooner.

Attached to this newsletter will be a basic calendar for next school year. It will show you start/end dates, etc. There will be a more detailed one in your paperwork packet.

We will be having some staff changes to our assistant teacher roles next year! We would like to bid farewell to Miss Carolyn and Miss Mary Ellen. Miss Carolyn will be freeing up her days to travel and watch her daughter play in her senior season of college soccer. Miss Mary Ellen will be busy with her schooling, and preparing for student teaching responsibilities. They have both been such an asset to our program, and we will miss them immensely. The Blue Room Assistant teacher role will be filled by Miss Tara. She spent this year teaching enrichment, and although more than qualified to lead her own class, she graciously stepped in to assist Miss Jessica. That will open up the Enrichment position for next year. If you, or someone you know, loves working with kids, want to work with a great group of ladies, and wants the flexibility of school hours/months, see or contact me for want more information at [smiller1950@sbcglobal.net](mailto:smiller1950@sbcglobal.net). Every one of our teachers is a current or past preschool parent, or was recommended to us by a parent. It has been where we have found the best candidates!

Let us start off by saying what a busy, fun-filled end of the school year we have had. Dogs with Dad's, Mother's Day Tea, and the Trike a thon, made for a very quick end of the year. Thanks to all who attended; it was great to see you! We would like to express what a joy it was to have your child in the ORANGE room this year! We learned so many things and have grown so much since September. This year we have laughed together, sang, played, and most of all LEARNED! We know you will continue to nurture your little one as they move onto their next room. We are looking to seeing their smiling faces in the halls next year.

HAVE A WONDERFUL SUMMER!!!!

Pre-Kindergarten MWF- Green Room

Miss Libby & Miss Jess

We would like to take this opportunity to say THANK YOU for such an amazing year! We could not have asked for a better group of four and five year olds! Together, we laughed, we sang, we created, we danced, we painted, we may have even cried, and we grew! Some of the children's favorite memories of this school year include: The Very Hungry Caterpillar book, Easter egg hunting, learning about gravity, sorting bugs, talking about God's Creation story, narwhals, the rainforest layers, Stone Soup, Polar Express Day, Singing the goldfish song, muscle room fun, rhyming pairs, ocean animals, The Lorax, the post office center, crafts, dinosaurs, Green eggs and ham, and our list goes on....

Each child has made a memorable mark on our lives, and we will cherish these memories and moments forever! We send all our green room friends forward with well wishes and confidence that they will "chase their own rainbows!"

It feels like just a short time ago we were welcoming you all into the room to see where your child would be spending their days with us. I am not sure where all that time, from then until now, went! Each child has grown and changed so much over these past 9 months. Miss Tina and I are so grateful we got to be a part of it. But we definitely could not have done it without you! So, thank you, parents, for everything you did to make this year such a success - especially the classroom volunteering! It was so wonderful getting to have parents back in the classroom this year. We appreciate everything you did to make those days fun and exciting for the children.

Miss Tina and I will very much miss spending our days with these kids, but it is also incredibly exciting to see them ready to move on to their next chapter. These classes are full of smart, funny, kind, extremely lovable children. And they are going to do great things someday. We tell them all the time, but they truly are....AMAZING! ☀

We cannot express how proud we are of every single student we have. We have seen so much improvement with everyone socially, emotionally and academically throughout the entire year. It has been so rewarding to see their confidence increase as the days go by. They have worked extremely hard and it shows. They are ready to take on Kindergarten and begin such an amazing new journey. Saying we are proud of each one of them, doesn't begin to cover it. Our hope is that they will continue to enjoy school and have fun while learning. Thank you to every adult for greeting us with a smile every day and taking the time to be involved throughout the year. We will truly miss everyone and hope they don't forget to come back and visit. They will rock in Kindergarten!!
